

CWA/Verizon Bargaining Report

Common Issues

CWA Bargaining Update for Tuesday, October 11, 2011

The Regional Committees from both the north and south tables met separately with the company late today. The company presented the committees with comprehensive counter proposals. Both committees have recessed for the day and will reconvene tomorrow to continue their review of the company's proposals and develop our response. We will provide the details on the company's proposal and our response in a later bargaining report.
