**New Jersey Commercial and Marketing**  
**& Traffic Local Bargaining Report - No. 9**  
**Friday, July 29, 2011**

The New Jersey Local Commercial and Marketing Committee representatives met with the Company today.

The company provided the Union with information pertaining to one data request previously made by the Union. The company also stated that it was gathering additional information and would provide it as soon as possible.

There will not be any local bargaining sessions on Saturday or Sunday. Discussions are scheduled to start again on Monday.

The Traffic local bargaining committee did not meet today. The committee is waiting to receive the Company's answers pertaining to its national all sharing proposal.
