CWA/Verizon Bargaining Report #8

Monday, December 3, 2007

The meeting scheduled for today was postponed. The company has not yet responded to a large number of data requests.

The Union bargaining committee has therefore decided to suspend face-to-face meetings until the necessary information has been provided. Once the information has been received and analyzed, the Union will provide a response to the Company demands.

We will provide you with updates as events unfold.

The Bargaining Committee

This and subsequent updates will be also be available on our website at **www.cwalocal1022.org**
