SURPLUS – UPDATE

TO: Members, Stewards, Chief Stewards

At a meeting between the Union and the company on Tuesday, July 20, 2010, the company representative reiterated the company's intention to have the remaining surplus and non-surplus employees who were accepted for the EISP offer, in New Jersey, to be off the payroll on **Sunday, September 19, 2010**. *It should be noted however, that the company also stated that there could be a change in the date, although unlikely, based on an HR or departmental decision.*

I will provide you with any additional information as it becomes available to me. In the meantime, I would caution against listening to the many rumors that abound out there.

In Unity,

A handwritten signature in black ink, appearing to read 'Michael C. Travali', is written over the typed name.
