*TO: Members, Stewards*

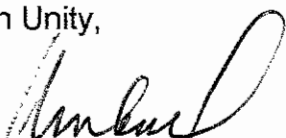

We have been advised that on March 24, 2011 the United States District Court for the Southern District of New York had confirmed the arbitrator's decision in favor of the Union in the MySchedule (tool) arbitration.

The Union sought relief from the U. S. District Court subsequent to the company's refusal to comply with the arbitrator's decision handed down on March 1, 2011.

The company and Union are to meet to discuss implementation of the court order. I do not have a date at this time.

I will advise you as soon as I have further information.

In Unity,

  
MICHAEL C. TRAVALI  
Secretary-Treasurer
