Schedule Tool Rollout October 2011

Thanks to the hard work and perseverance of CWA District 1, the Scheduling Tool Trial, which was expanded to five (5) stores in Atlanta and San Antonio, continues to be successful.

Starting with the scheduling for October, there will be a National Deployment of:

- **6 hour minimum and 8.5 hour maximum, excluding meal break**
- **Preference for 8 hours and 2 preferred days off**
- **Hour meal break (This is the result of the national survey where the majority of the RSC's chose a 60-minute meal break.)**

Depending on the success of this newest phase of the trial, National Bidding could be rolled out nationwide as early as February 2012.

However, it is extremely important to let us know if there are problems with the trial. So please call the office at 732 446-2201 if you have any scheduling problems that your manager cannot (or will not) rectify.

In Unity,

KATHRYN L. SHEEHAN
President
